THE LABOR VOTE IN OHIO.

In estimating the election probabilities in Ohio the present condition of workingmen in that state must be noted as one of the important factors in the result. Obto is largely a manufacturing common wealth and the prevalence of industrial prosperity or depression cuts a larger figare there than in many other states. In lex good times

Someties, such as Germany, Seeden, Norties the total monthly pay roll was \$62.88.

and now it is \$58,6130. Forty-three of these
shops are in Akron. In 1895 they had 5.991
completes, and at present they have 3.58.

The Roman Catholic population is undoubtedly stronger relatively in the United
States to-day than ever before.

Nevertheless, there is no cause for alarm.

Nevertheless, there is no cause for alarm.

However, it is of bronze and it will make the state in 1821, residing at first in St. Louis, but had made the fine medals.
